SETS:

1. Thank you for the new drawings that we have of the set. They help out a lot.
2. We are going to want the window on the stage left side to be operable.

PROPS:

1. The icon prop picture for Eleni in 2.1 is a 4x6 picture of St. Nicholas which Shauna is going to bring in.
2. Xenia is going to need a coffee cup and saucer for 2.4. We should try to find this prop soon because it is central to the show.
3. The sexy lady will need a handkerchief or napkin of some sort to give to Nicos after he sneezes in 2.1
4. We are going to need something to appear like olive oil for the show. Would apple juice work???

1. Brian if there are any questions that need your response I will write them in this section of the notes. We are wondering how to get comp tickets for the show for the both the cast and the production team? If you could shoot me an email Tuesday with details that would be great.
